

## Komodo Cruises Liveboards

**Komodo – Escape for the great adventure**

**9 DAYS / 8 NIGHTS**

Our operation eliminates the long boat trip from Bali to the Komodo Park by taking you on a domestic flight from Denpasar to Labuanbajo, the gateway to komodo national park. From Labuhanbajo airport we take you with speedboats to our boats , which are permanently based in the park getting you fast to the best that Komodo has to offer which is a lot.

The best diving and sailing experience is guaranteed during your stay in the park. We will always do the dragon trekking in Rinca island ranger station (possible wildlife and dragon sightings (guaranteed) are far superior than the trekking offered on the Komodo ranger station ).
